## Captain's Report

The dust has settled on yet another Sapphire Cup and again it has been a great success and a credit to Inverell Golf Club Staff and Members. It was great to see some local Inverell Golfers winning the overall event, Mat Flitcroft & Brett Woodward. Last weekend's Suttons Insurance Brokers monthly mug had a good showing and a mix of good scores including Vets and Juniors. Apologies for the Nearest The Pin markers being somewhat agricultural (tee in the piece of paper on the green) but unfortunately our metal stands decided to have a week's hiatus from Inverell Golf Club. Fortunately they have made their way back to the club and are ready for this Saturday's comp. "The Scramble" was set to be played Sunday the 20th of February but has been postponed to a date yet to be decided. This is a great teams event with some great prizes so it would be wise to start organizing your team of 4. All the details are on "The Scramble" website <https://thescramble.com.au/> This Saturday's stableford is also the qualifier for the Presidents Cup which runs for the next few months. Please tell the bar staff when paying for your round if you don't wish to be involved otherwise you will be entered into the draw should you qualify. We have some new comps starting in the next few weeks so keep an eye on your email for details.  
Thanks Mat
